Innovate the Vibe, Elevate the Code

TOTAL PRIZE POOL

1st Prize: ₹15,000

2nd Prize: ₹10,000

27 MARCH 2026

INDIRA COLLEGE OF ENGINEERING AND MANAGEMENT, Pune

VIBE-ASTRA 2026

Innovate the Vibe, Elevate the Code

Two Stages. One Winner.

1 CODE ESCAPE ROOM

- Step into a virtual escape room where logic is your key to survival.
- Teams must solve a series of coding challenges to unlock the next stages.
- This round is a race against time — the faster you solve, the higher your chances of advancing.

Only the top-performing teams who crack the most challenges in the shortest time will qualify for the final round.

Top Teams Qualify for the Final

Top Teams Qualify for the Final

Outcome:

Top teams will be evaluated and winners declared

- Creativity
- Problem-solving
- Out of Box Thinking
- UI/UX

2 VIBE SOLUTION ARENA

Strategy & Execution

- Qualified teams will be presented with a real-world case study.
- Using vibe coding, participants must design and develop a c conplete working solution.

The sequence of rounds may vary based on participation.
